

## St. Dunstan After-school Chinese Program

The After-school Chinese program is a comprehensive language development program that equips children to speak, listen, read and write Chinese. Our experienced teachers incorporate songs, stories, fun games, and interactive activities to expand student's interest in and appreciation for Chinese language and culture. Such as:

- An introduction to Traditional Chinese Culture and Festivals by telling stories and doing activities:
- A different theme for oral conversation will be practiced every month :

Classes involving lower level students from K-3<sup>rd</sup> grade:

- Cultivate students to be interested in Chinese Language and Culture;
- Emphasize listening and speaking skills;
- Start learning PuTong Hua PinYin;
- Between 2<sup>nd</sup> and 3<sup>rd</sup> grade basic Chinese Character writing with radical will begin
- Basic daily convocation.

Class for the higher level students from 4<sup>th</sup> to 8<sup>th</sup> grade:

- Strengthen Pin Yin, pronunciation, speaking and listening ;
- Improve Character writing with radical;
- Focus on grammar, vocabulary, and conversation;
- Improving general abilities of listening, speaking, reading and writing.

We will nominate and train our students to participate in the poetry recitation and calligraphy competition which happens every year in San Francisco.

To ensure our teaching quality, year round "fun" quizzes will be followed by a final examination at the end of semester. We will send out a monthly communication and progress report for the parents to review the students' standing.
