Call or email your RSVP by Monday, December 1<sup>st</sup>

Phone: 650-697-8119

Email: [lcoustier.stdunstan@gmail.com](mailto:lcoustier.stdunstan@gmail.com)

***This evening is specifically organized for pre-school parents and their students only.*** Avoid the usual crowded school tours that typically are open to all grades. Come meet the School Principal, Dr. Bruce Colville, the kindergarten teacher Mrs. Patricia Rodgers and her aide, and learn about the core curriculum and the extra curricular activities and enrichment programs at St. Dunstan Catholic School.

For 62 years, students have pursued academic excellence and Catholic religious instruction at St. Dunstan School. Our educational program, overseen by a dedicated lay faculty, emphasizing the development of the whole person. Students achieve high-standardized tests scores and most graduates continue their education at prominent local Catholic high schools and private secondary schools. We recognize that parents are our students' primary educators. We work with families to build a strong community that extends beyond the school grounds.

St. Dunstan Catholic School is centrally located in Millbrae between 101 and 280. St. Dunstan Catholic School is a culturally diverse community centered in a spacious, clean, safe, and comfortable school site with the focus on student learning and achievement.
