Volume 5 Issue 2

After the Giants' third time winning the World Series in only five years, everyone's excited! In this issue, we'll be seeing how our classes celebrated and what has been happening the past few weeks!

Inside the classrooms...

Kindergarten

The kindergarten class has had some very exciting things that happened this past week. For example, St. Dunstan's lollipop sale has been a big hit for all the kids. There was a variety of flavors many of which the kindergarten class enjoyed. Not only were they so excited about the lollipops, but the kindergarteners were all super happy when the Giants won! This was a very eventful week that the kindergarteners enjoyed.

1st Grade

The first grade was very excited for the World Series and was super hyped when the Giants pulled off the win with 3 to 2 score against the Royals. Most of the first graders loved the part when Madison Bumgarner became the MVP for the World Series. For this year's Halloween, they were dressed as their favorite things. First grade was excited for the book fair and got as many books as possible.

2nd Grade

The 2nd grade has had an amazing last few weeks, between the World Series, which the class looked forward to and knew that the Giants would win. For Halloween the 2nd graders had a huge haul of candy. They carried their candy in a variety of containers from pumpkins to the old pillow case. Overall, the 2nd Grade has had an amazing past few weeks.

3rd Grade

The third graders were really excited that the Giants won the World Series. Some of the highlights were when Pablo Sandoval made an amazing catch, and all of the fantastic home runs that they made. AJ even had the amazing opportunity to go to the game and the parade!

4th Grade

Happy Halloween! The fourth graders had a great time trick or treating this year. Aiden went to Taylor St. in Millbrae and Mateo went to a Halloween party. Lydia also went to the Giant's World Series Parade. That must've been fun. The fourth graders now have their minds on the book fair. Carly can't wait to buy the book Monster High, and Rainier wants to buy the book Weird But True. It looks like these fourth graders are very excited for the book fair.

6th Grade

The Giants victory over the Royals made the 6th graders go crazy! It seems that most of the sixth graders watched that final game on October 29 at the night game. Of all the Giants, a lot of the sixth graders favored Pablo Sandoval, Madison Bumgarner, and Hunter Pence for their actions in the World Series and when the playoffs started. The kids of sixth grade liked the final Giants game, but didn't get a lot of Halloween candy for the most part.

5th Grade

In Mrs. Ostertag's class, we have some exciting 5th grader costumes from Halloween. For example, fantastic celebrities -- Miranda Sings, Day of the Dead costumes, and Baseball players! Specifically speaking the World Series winners, the Giants! The 5th grader's favorite moments are Sandoval's last catch, Mad Bum's last pitch, and Panik's diving catch.

-Gabe E. and Alex T.

7th Grade

The seventh grade has had a very exciting Halloween. The costumes were what brought out the classes spirit and made them have a really fun Halloween. They had also a very fun and exciting few weeks such as the Giants winning the World Series and Bumgarner pitching 6 innings and Pablo Sandoval. They also couldn't wait for the book fair with all the new posters and fun bendy pencils.
