School directories are a great way to foster friendships, and build closer bonds. The directory will include class lists, as well as family addresses/telephone numbers. Your family's participation is voluntary. The directory will also list key contacts such as room parents and board members, serving as a handy reference.

Please check off 1 of the following 3 choices:

1. **Please include our listing the same as last year's.**

Parent Names: _____ , _____

Parent(s) Signature(s) / Date: _____ , _____ / _____

2. **Please do not include us in the school directory.** My child(ren)'s name can be included in the class list.

Parent Names: _____ , _____

Parent(s) Signature(s) / Date: _____ , _____ / _____

3. **Please add / change our listing for the family address section of the school directory as follows:**

If you would like only part of your information to be listed, such as just your telephone number, please just fill in the telephone portion. Please fill out all items, not just changes, that you would like to be included in the family address portion of the directory.
